**HOW TO**

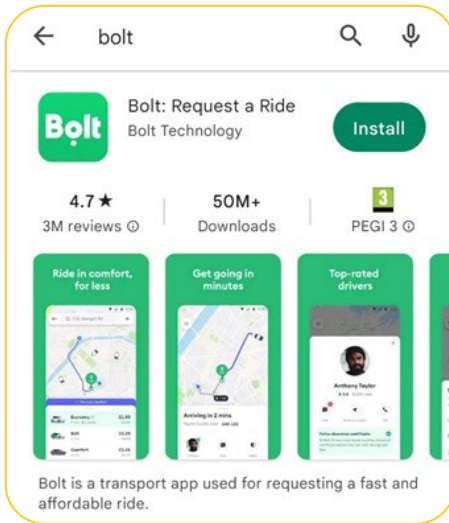

**ORDER THE TAXI?**

# WE RECOMMEND

to use Bolt mobility company

1

Download an application  
**Bolt** on your mobile

2

Enter your number

 +371

OR

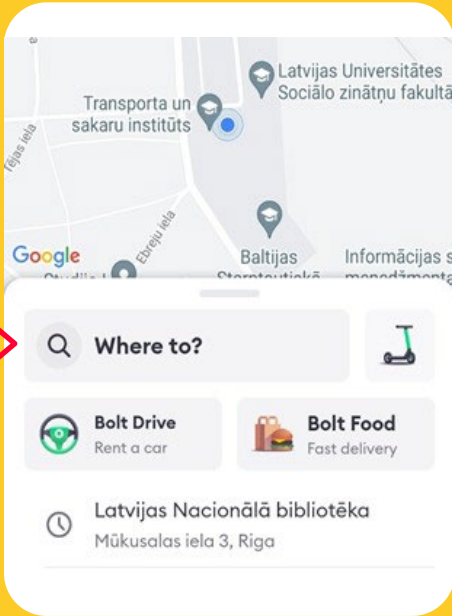

Sign in with Google

Sign in with Facebook

Enter your phone number  
if you have Latvian  
sim-card or log in via  
Google/Facebook

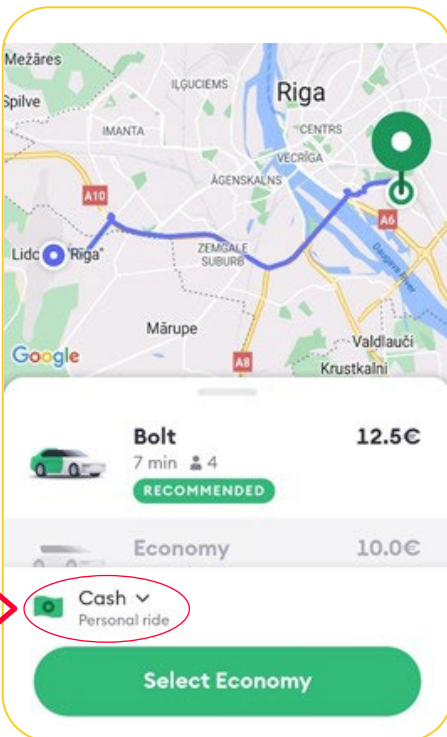

3

Check the address of your apartment/hotel.

Click on the button **Where to?** and write down or copy/paste the address of the apartment or hotel.

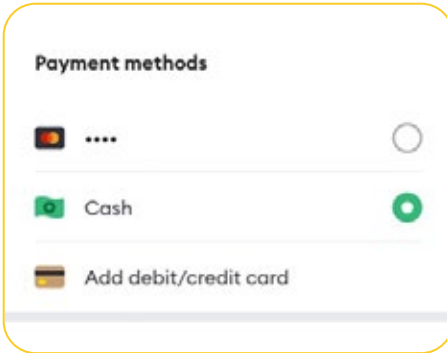

4

You will see the route on the map and cost of your trip.

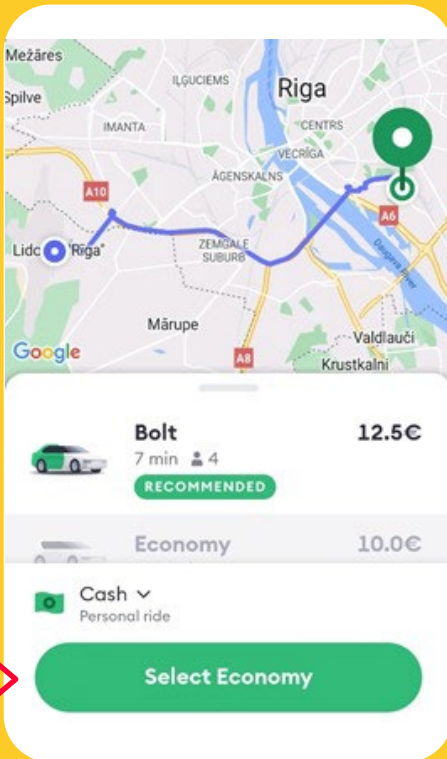

Choose the payment method: pay by credit card or cash.

4

If you chose to pay by card you need to add your credit card details to the account.

5

Click on the button **Select Bolt** and choose the trip option.

After you selected the trip you will see the driver's name, car details and the time of waiting.

You will also be able to track your taxi and contact the driver in chat or by the call.
